### **Congressional Veteran Commendation:**

As Americans, we owe our military and Veterans a debt of gratitude which can never be repaid. The Congressional Veteran Commendation (CVC) program is nominations-based, and designed to recognize the sacrifices and devotion to serving our country offered by veterans within Texas' Fourth Congressional District. Candidates that are selected to receive a Congressional Veteran Commendation will be awarded in the following manner:

- Honored at a ceremony for all award recipients in mid-November
- Will be given a United States flag that has been flown over the U.S. Capitol, along with an announcement of the award entered into the Congressional Record
- Recipients will have their name and a short biography published on [fallon.house.gov](http://fallon.house.gov) under the Congressional Veteran Commendation program page.

### **Guidelines for Applicants:**

- To be considered for a nomination, veterans must currently reside in Texas' Fourth Congressional District, must have served as active duty military personnel or have been reservists called to active duty, and must have been honorably discharged from a branch of the United States Armed Forces.
- You may choose to either nominate yourself, or another resident of Texas's Fourth Congressional District to receive a Congressional Veteran Commendation.
- Post-mortem nominations will not be considered.
- You may choose to include documentation of awards, time served, honors, or other supporting evidence to your nomination. Please make sure any documentation provided is a copy of the original, as our office will not accept original copies.
  - If you choose to provide supporting documentation, you may include this when you turn in your application.
- If you are filling out this application to nominate someone other than yourself, you may choose to indicate that you would like the nomination to be kept private. Our office will not notify that individual unless they are chosen to receive the Congressional Veteran Commendation. If this is the case, they will be notified by September 12<sup>th</sup>, 2022 with the announcement of the award.
- If you have any further questions regarding the program, applications, or the process, please contact Hannah Spurr at [Hannah.Spurr@mail.house.gov](mailto:Hannah.Spurr@mail.house.gov)
